UNEMPLOYMENT EXCESS LOSS INSURANCE

Product Highlights

With First Nonprofit's excess loss protection, you can limit your risk as a self-insured employer.

- Designed for larger employers (more than 500 employees) and multi-unit employers who want to limit their risk as self-insured, or reimbursable, employers.
- Premiums reflect deductible, band of coverage and expected losses.
- Multiple coverage limits and deductible options, up to 150%, 200% and 250%, are available
- Coverage is designed as "working excess" rather than catastrophic.
- Each risk is individually underwritten based on its own risk components and appetite for self-retention.
- Placement of state-mandated bond, where required is included.
- Professional claims administration is available.
- Available for individual employers or group programs.
- Group program policies can include both aggregate and individual coverage.
