Louisiana

44% Increase

INCREASED TAX COST

In 2009, the average unemployment tax cost to the Louisiana Workforce Commission, per employee, was about \$98. In order to replenish the diminishing unemployment trust fund caused by the recession, factors used in calculating unemployment rates were increased, therefore increasing the average unemployment tax cost per employee. By 2013 that cost had increased by 44% to about \$141.

\$15,000

POTENTIAL WAGE BASE INCREASE

Pending federal legislation would increase Louisiana's unemployment wage base from \$7,700 to \$15,000, therefore *increasing the average unemployment tax cost per employee from \$141 (in 2013) to \$275.*
