

Member Referral Program

We're always looking for ways to help the nonprofit agencies we serve. That's why when you refer another agency to us and they enroll in the Program, your organization will receive a \$300 donation toward your mission. So, help us spread the word. You may wind up saving another nonprofit agency thousands!

To refer a nonprofit, simply copy the Member Referral Insert (Below), complete the information, and fax it to 312-239-8368.

Good news is worth spreading!

Please provide the contact information of the organization you would like us to get in touch with about our programs:
