

UNEMPLOYMENT:

A SAVINGS OPPORTUNITY COMMUNITY ACTION AGENCIES

If your Community Action Agency (CAA) is paying the state unemployment tax (SUTA), you are most likely overpaying for unemployment insurance. 501(c)3 CAAs joining First Nonprofit programs choose to be financially liable for only their own unemployment claims (called “reimbursing”) and not pay via the tax method. By making the switch, our new 2017 members saved an average of 31%! Here are a few member CAA savings samples:
