First Nonprofit's (FNG) mission is to educate the nonprofit community about unemployment insurance and provide solutions for all their unemployment needs.

Nonprofits, on average, pay more in state unemployment taxes than what their employees collect in unemployment benefits. FNG provides **safe alternatives** to the unemployment tax system to more than 1,600 organizations in more than 40 states. ***New 2014 members, alone, saved an average of \$41,473 (37%) in FNG's unemployment programs.**

***These are just a few member savings samples. FNG's programs are open to nonprofits in all 50 states. Contact us for more state-specific information!*
