Unemployment insurance cost facts every North Dakota nonprofit should know

What do state unemployment taxes (SUTA), state unemployment reserve balances and claims overpayment rates mean to your nonprofit?

These factors could mean less money for your nonprofit organization's cause.

58%

2009-2015 INCREASED TAX COST

Factors used in calculating unemployment tax rates have increased, therefore increasing the average tax cost per employee from \$243 in 2009 to \$384 in 2015.

\$14 Million

IMPROPER CLAIM PAYMENTS

North Dakota's July 2014—June 2015 improper claim payment rate was 10.470%, equaling over \$14 million.

\$37,200

2016 WAGE BASE INCREASE

The wage base is the maximum amount on which an employer must pay unemployment taxes for each employee. North Dakota increased its unemployment wage base from \$35,600 to \$37,200 in 2016.

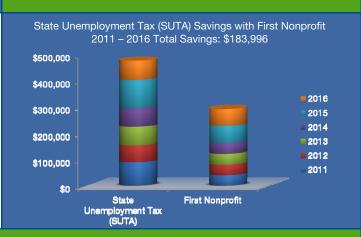

However, there are options to financing your nonprofit organization's state unemployment costs...

In proud partnership with:

First Nonprofit Group provides state compliant, individually insured, cost-saving options to satisfy SUTA requirements for nonprofit, governmental and tribal entities. To the right is a sample savings analysis of one of our members since 2011.

Visit our website or call to request a free, no-obligation cost savings evaluation. Evaluations include a 2017 rate projection!
