**First Nonprofit Group (FNG)** of Amtrust Financial Services (rated "A" Excellent) provides state compliant, individually insured, cost-saving options to satisfy SUTA (State Unemployment Insurance Tax) requirements for nonprofit, tribal and governmental entities. Nationally, nearly 2,000 organizations rely on us to reduce, manage and safeguard their budget from uncertain unemployment insurance expenses.

Nonprofits, on average, pay more in SUTA than what their employees actually collect in unemployment benefits. **\*New 2016 members saved an average of \$19,867 (30%) in FNG's unemployment programs in their first year alone.**

*\*\*These are just a few savings samples. FNG's programs are available to nonprofits in all 50 states. Contact us for more state-specific information!*
